

# PURE HAIR

At Pure Synergie we believe that great styling and colouring doesn't have to cost the earth. We have a creative, vibrant and talented team of stylists, who absolutely love what they do, and it shows. Our top stylists listen to your needs and are able to deliver a cutting edge style or an on trend colour, all with a friendly service and a smile. We are constantly striving to keep up to date with the newest styles and are happy to look through pictures and magazines whilst you are here, to find just the right look for you.

A colour company that supports taking care of the environment and the people who provide the ingredients for their products. Sustainability is their core belief. Eco friendly packaging. Part of the Lifegate Zero Impact Project.

We are lucky to have been chosen to represent this brand as the only salon in Greenwich and a very few chosen in the UK. Products not tested on animals. Vegan options available.
